Are you buying expensive newspaper ads?

You've got a really nice home and you have it advertised in the newspaper;

but, so do all the other people who are selling a home For Sale By Owner.

So&hellip;.

How do you make that expensive newspaper ad stand out from all the others?

EASY!

Tell them they can see pictures of your home on theFSBOPages.com.

When you take advantage of your FREE For Sale By Owner Web Page ad on theFSBOPages.com, you get a unique URL address that will open directly to

your own FSBO page.

Buyers who visit your page can see up to four pictures of your home plus your ad text,

and they can use the Buyer Connection feature to ask you questions or

arrange showings all without having an agent involved.

Now...

Imagine you are a home buyer  
looking through the classified section of the local

newspaper interested in  
buying a For Sale By Owner Home&hellip;
